

Twelve days of Christmas fundraising

Here are 12 Christmas fundraising ideas to get you feeling festive.

Get together with friends, family or colleagues to raise vital funds and spread some festive cheer

Donate your Christmas party:

With big parties not possible this year, why not donate what you would have spent on your family, friends' or company Christmas celebration?

Christmas quiz:

Host a Christmas themed quiz. Make it virtual and charge a small fee to take part.

Christmas jumper day:

Get a group to put on their Christmas jumpers and donate £5.

Festive bakes:

What better way to indulge in your favourite festive treats? Get your bake on and sell your tasty treats.

Grow a Santa beard:

Reach out to your dad, uncle, brother, cousin or friend and be sponsored to grow a 'Santa' beard.

Christmas decorating challenge:

Challenge your family, friends and colleagues to deck their desk or homes with Christmas decorations. Pay a fee to take part, with the winner receiving a prize.

Winter dip:

Get sponsored and challenge yourself to brave the crisp winter weather for a festive outdoor swim.

Be an elf for the day:

Get sponsored to lend a helping hand around the house or at work for one day.

Donate in lieu of Christmas cards:

Donate what you would have spent on Christmas cards this year and let your loved ones know you have supported Children with Cancer UK.

Winter walk, run or cycle:

Ask for sponsorship to walk, run or cycle a route in a festive shape like a star or a tree! Share your route on social media.

Birthday fundraising:

If you have a birthday coming up over the festive season, you can set up a birthday fundraiser on Facebook and ask friends and family to donate in lieu of gifts.

Get crafty:

Make your own Christmas cards or decorations and sell them to family or friends.

No matter what fundraising you choose, make sure you're keeping safe, following government guidelines in your area, and most of all having fun!
